

Easter egg activities

Here you can find some Easter egg crafts that the children can do at home.

These are some ideas:

Pompom printing. The children can use pompoms dipped in paint to decorate the Easter eggs.

The children can use cotton buds to decorate the eggs.

The children can decorate the eggs with their colours and markers. They can stick various items to decorate the eggs such as feathers, buttons, coloured pasta and pompoms.

Balloon Printed Easter eggs. The children can paint the Easter eggs with balloons dipped in paint.
